World Championship Edition

Ready, Setty, Spaghetti!!

Yes Ladies and Gentlemen, boys and girls, Australia's newest sporting heroes the "Sandflies" are set to fly.

Hoping to add some sting to the court at this years World Championships in Ravenna, Italy, the Sandflies will see the fruits of their hard work over the past months. A regime that has seen them adopt Pilates, Yoga with beach workouts and cardio fitness.

Paul Mapley President of the AFBT and Kellie de Burgh, Team Manager, will lead the team to Italy, and feels that the strength of out tilt, is our ability to stay strong and be a solid unit.

Over the past months, the team has been training rigorously to get themselves in shape, to compete at the highest level. The Sandflies have adopted some of Percy Cerutti's training techniques, focussing on many sessions in the sand, to improve core strength and speed and endurance on the court.

The 11 strong team, will see a wide range of participation, from 14 and under to the over 50 event. The Nations event will take place in the evening under the lights of Marina, in a round robin World Cup, format.

But I guess there is one consolation, that diving on the Italian beaches is a great part of the game and a major spectacle, to witness the athleticism of the competitors.

The Nations event will see Australia attempt to improve on their 5th place at last years Championships, but we have no doubt the other nations have been training just as hard, to raise the bar.

Check the website for updates of our progress, we will endeavour to give you report from the edge, so you can show you support for the team.

Sandflies Support Night

The recent support night to raise money for the Sandflies and the AFBT, a **Huge success**.

BuZZZZZZZZZZZZZZZZZZZZ!!

It was night that saw the end of our hard work to finally focus on the job at hand. With the support of the R-bar in Port Melbourne, it saw many family and friends of beach tennis show their support by digging deep to raise money, for what is currently a self funded team.

We would like to thank the sponsors of the event and those who gave generously, to see that the team was outfitted well and flying the flag with pride and passion.

Very special thanks to the members of the AFBT, who gave their time to be there and present the Australian kit.

Most of all, Thanks to all the sponsors and supporters for the 2006 World Championships, Mills Oakley, Sangreal, Rydges Hotels, Chifley Business School, Cadbury Schweppes, Greg Ross, RBAR, Leveson Hotel, Fine Wine Partners, Pure Blonde, Kraft, Danielle Lopes Photography, Mapley Beach Tennis.

The Team is PUMPED and FIRED UP!
